- evaluates current HR-practices with regards to their effectiveness & impact
- develops relevant HR-instruments and guides their operationalization
- supports you in the development of your leadership team and their understanding of their roles
- assists HR-responsibles who are new in their role

MANUELA MUDRINIĆ

NJUŠKALO | STYRIA MEDIA CROATIA

"Michael really understands how an organization ticks, what it needs and what it can handle. The entire management team and, subsequently, our employees, appreciated how he went about our project. The solutions he designed are fit for our purpose and future-proof. I truly enjoy working with Michael and can highly recommend his work.."

The outcomes for you

- **Development of selected HR-Instruments**
- **HR-Processes- & respective role-descriptions**
- **Development of HR-performance indicators**
